HARD TO FIND

The LEGO Agents have finally located Dr. Inferno's hidden lair, built deep in the heart of a raging volcano. Now it's up to the LEGO Agents team to get there in the high-tech turbocopter with capture net, get past the high-security defenses using the lava pit monorail, and take out the giant laser cannon before Dr. Inferno unleashes its power on the entire world! This mission is top-priority and time is running out, but beware: you'll have to defeat Fire Arm and Claw-Dette before you face Dr. Inferno himself! Includes 6 minifigures.
